We welcome you to Olympia’s premier country and golf club. The Olympia Country and Golf Club was founded in 1917, the original site of the course was in Lacey, where Panorama City now stands. In 1923, about 100 acres was purchased on Butler Cove for the current location of the club. The Clubhouse construction was completed in 1925 and the golf course, then only nine holes, opened the following year. The golf course expanded to eighteen holes in 1958, the clubhouse was remodeled at that time and a swimming pool was added to the grounds.

In 2012, Dr. Angela J. Bowen, a longtime member of the club, purchased the land and property from Budd Land Company. Under Dr. Bowen’s leadership the OC&GC restructured it’s operation and built a modern golf club and restaurant facility. In 2020, after Dr. Bowen’s passing, OC&GC was bought by an LLC formed by a group of OC&GC members. This ensures the club is owned and operated by the members from now and into the future.
